

For 20 seconds
of **PROPER**
HAND WASHING

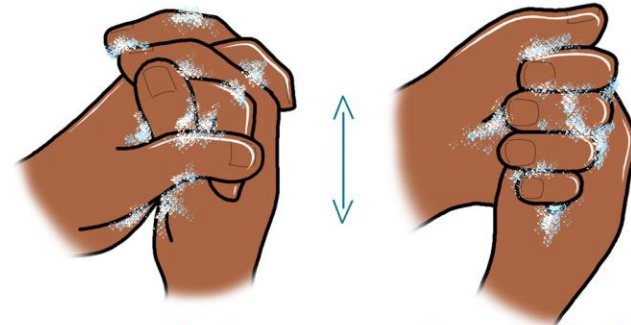

...sing twice to the tune of "Row Your Boat"
and don't let that water run!...

Wash, wash, wash your hands,
Around and in between.
Bubbly, bubbly, bubbly, bubbly,
Hands get squeaky clean.

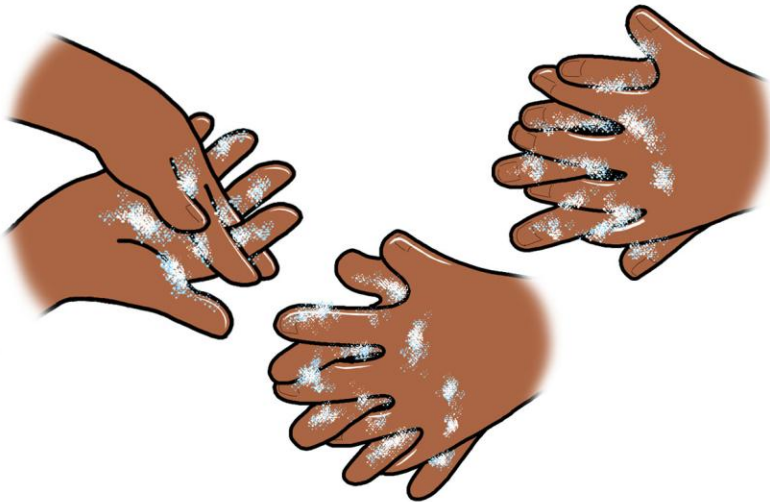

1. scrub palms ... and backs

3. two ways to wash thumbs

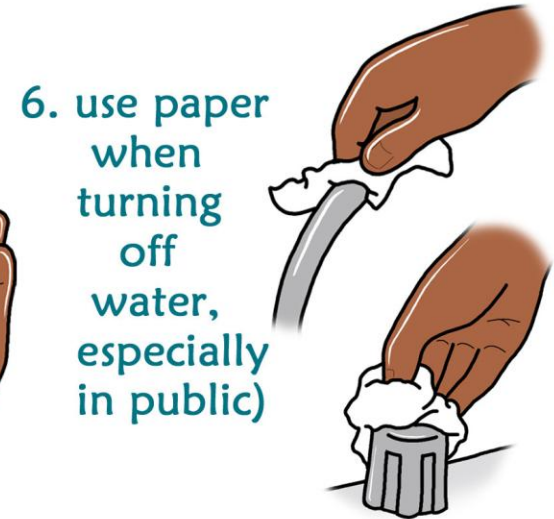

4. scratch soap in palm
to get under nails

2. scrub between fingers, front & back

5. rinse
away
all the
suds
and
germs)

6. use paper
when
turning
off
water,
especially
in public)
